VISION PLAN 2026

How To Write My Personal Vision for The Year

- Begin with a blank Sheet of Paper

Title it Brain Stormed Vision

- Write Down the Categories In Your Life You Want To Focus On For 2026

{Spiritual, Personal, Materials, Business, Health, Finances, Time, Achievements, Experiences, Travel, etc...}

- Begin writing down what you would like to accomplish this year from those categories:

Example—{Spiritual, Personal, Materialistic, Business}

Example [(Spiritual)-Receive the gift of Speaking in Tongue, Read a daily devotional daily @ 2PM, (Personal) Start a Skin care routine, Stop eating too much sweets, Begin getting my hair done professionally, (Materialistic)-Purchase myself a new handbag, car, ring, house, (Business)-Start a new business, Get assistance writing my Business Plan, Hire a new employee, start a new employee incentive program etc...

- Create a “statement” in 5 sentences or less that summarizes these things you envision accomplishing this year

Example: Beginner Vision 2026-Is to increase growth in my spiritual life, become more intentional with my personal development, reward myself materialistically, and advance my business growth.

Example: Advanced Vision 2026-Is to advance spiritual knowledge, develop a savings plan for family vacations, increase my charitable donations by 70%, develop a routine model for life grace[checks], provide systematic approach for rewarding children academic accomplishments, establish a scholarship program for an employee college student, purchase a new home and complete 2 missions trips.

- Now reduce these sentences to “I” sentence: I aim to seek continued spiritual growth and become personally developed in such a way that may change my family generationally and leave an eternal footprint in the world. [P.1]
